El Chapitel

Foreword . . .

They say there are only two inevitable things—death and taxes. Perhaps a third is the annual criticism of a school annual. However, though there are undoubtedly many places where criticism is justified, the staff believes that this book will serve well as a record of high school activities for the past year.

The staff greatly appreciates the splendid work done by last year's editors despite the nearly unsurmountable obstacles of shortages of paper and cover materials, the rising cost of printing and engraving, and the difficulty in recreating the long dead yearbook tradition. The willingness with which the local businessmen, the high school faculty, and the students cooperated with the staff did much to help them produce the 1947 "El Chapitel."

Dedication

TO MRS. HAZEL NOLTE whose kindly advice and warm smile have won many friends for her, in appreciation of the help she has given the student body outside of school hours—work which is often unrecognized.

Administration

MR. A. S. CAKEBREAD. Our principal, Mr. A. S. Cakebread, has been Superintendent of San Benito County High School and Junior College for three years. In that short time he has started many worthwhile projects for our school. Under the leadership of Mr. Cakebread our student body government has been reorganized. When the C.C.A.L. ban was placed on San Benito County High School in January, our principal really went "to bat" for us to get the ban removed. Mr. Cakebread is a very civic minded person, taking part in activities other than those of the school.

An unusually active year has been enjoyed by some one hundred twenty members of the Class of '47. The first important item on the calendar was the Senior play. The "Eager Beavers," a comedy about the troubles of a small-town family trying to produce a Russian drama in their community theater, played to an appreciative audience in early December. The Seniors who had sold the most tickets to the play were treated to a dance at the air base by those who sold the least.

In February the annual Senior Valentine Dance was held in the air base auditorium. March 19 the Seniors took over many of the classes in the second Senior Day held in the high school, the first Senior Day being held last year. With graduation coming up, the Seniors topped their year's activities with the Senior Dinner and the Senior Sneak Day, held at Alum Rock Park.

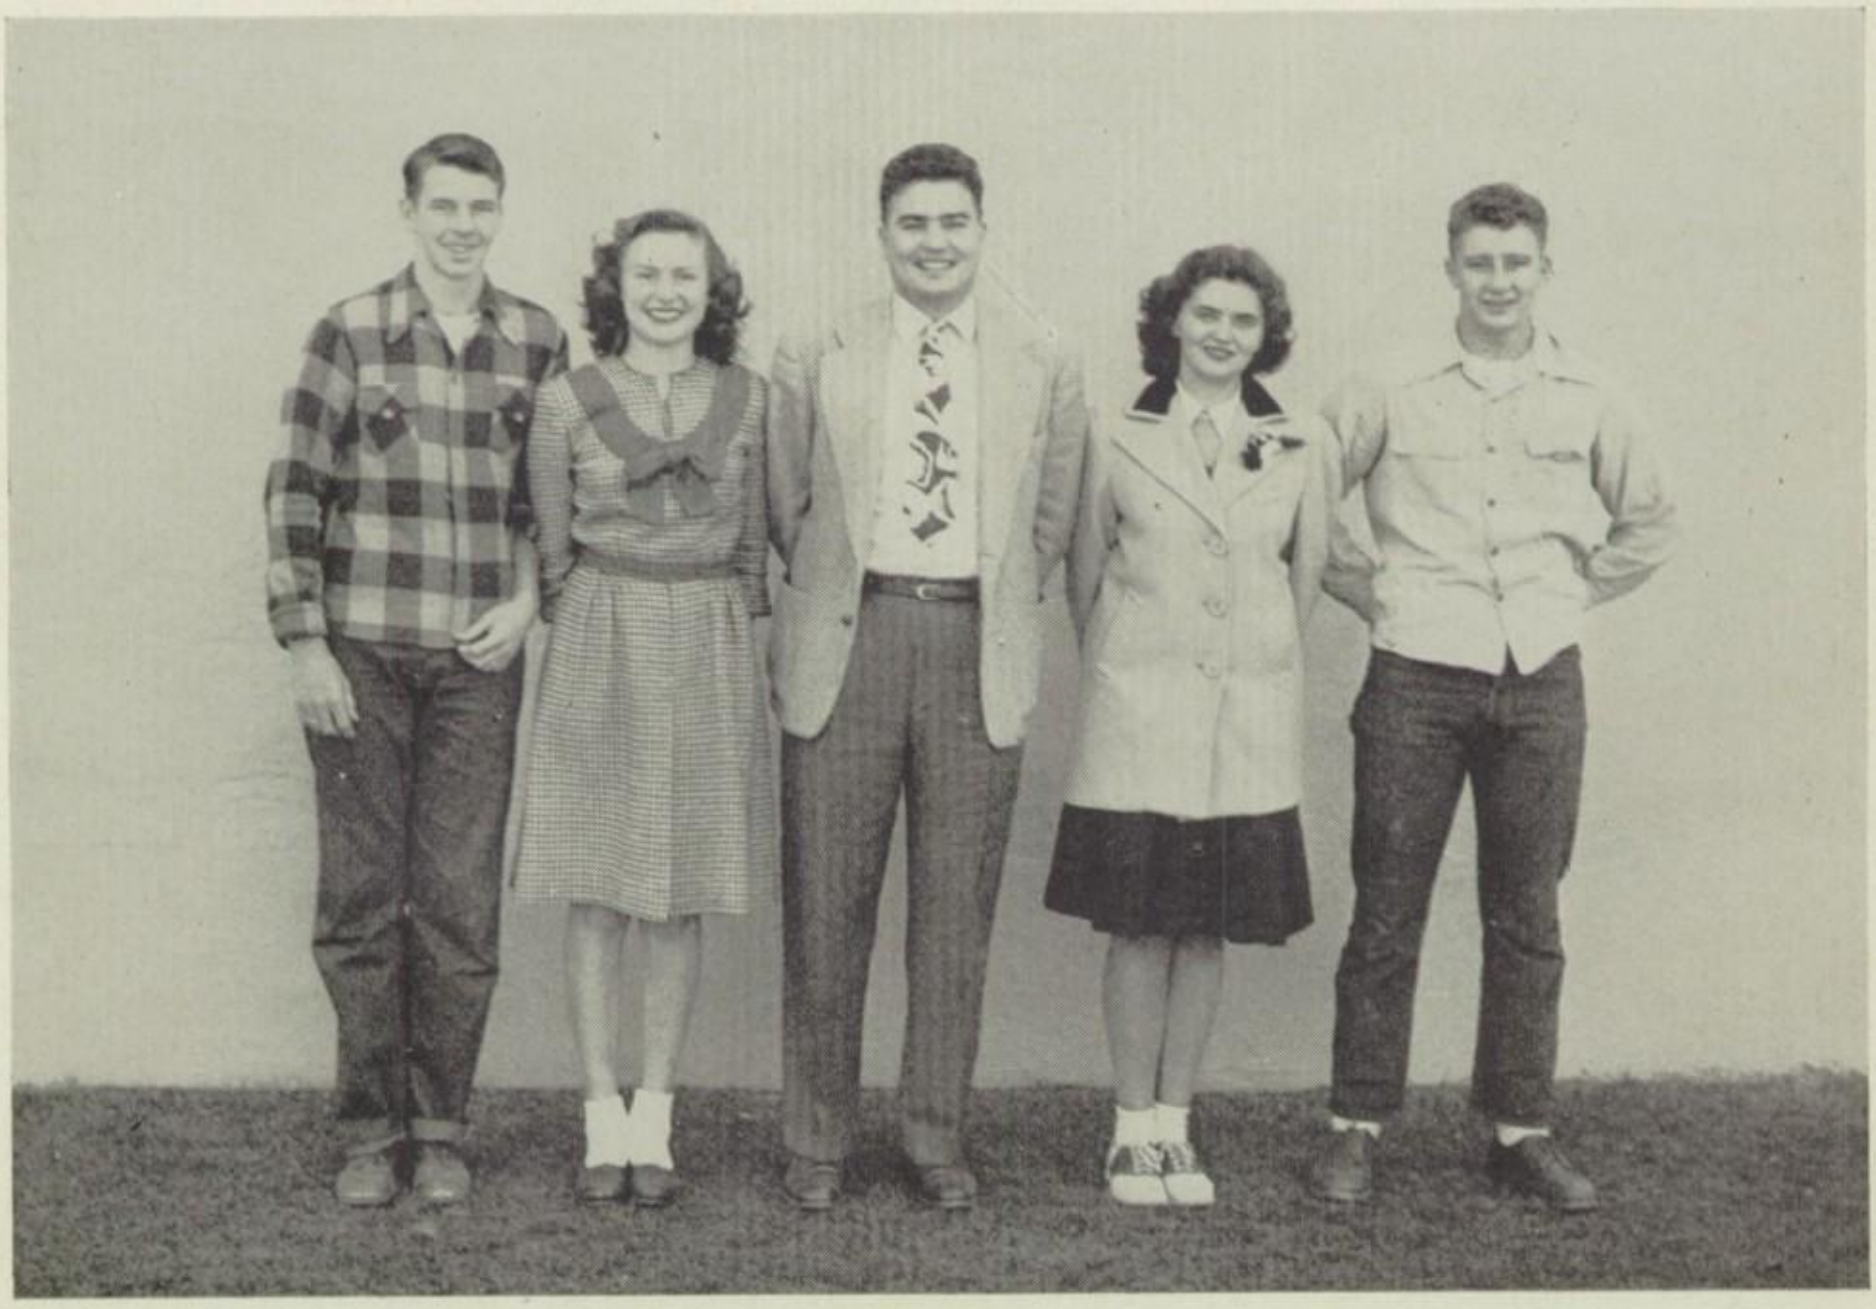
Class of '48



Roger Yockey, President; Helynn Moore, Vice-President Mr. Parker, Advisor; Joanne Williams, Secretary; Bill Key, Representative to Council.

The Juniors got off to a good start this year by receiving their rings the first week of school. When the football season started they had the concession at the first game. Early in the spring the Juniors along with the Sophomores sold magazine subscriptions for the Curtis Publishing Company and made a large profit.

The week after Easter vacation the Junior College Carnival was held in the Gym and the Juniors had a booth which was very popular. After the carnival the Juniors had a food sale, a jalopy raffle, and the concession at the C.C.A.L. track meet.

In May the Juniors gave a play, "The Trail of the Lonesome Pine," which was very successful. The climax of the Junior class activities was the annual Junior-Senior Prom with the Gym decorated as an exotic Oriental garden.

At the first of the school year the Sophomores welcomed the incoming Freshmen with a party in the O'Donell Gym. Games were played, refreshments served, and then everyone danced to records. The party was very successful.

The Sophomores secured the balloon and dart booth at the J.C. Carnival, which was in the middle of the second semester; and their stand along with all the other gaily decorated ones made a thoroughly delightful midway.

During the year they had the concession counter in the cafeteria for two weeks. When the Sophomores together with the Juniors acquired the Curtis magazine sales, they made a little profit.

They also helped put on an assembly during the year, and look forward to being Juniors with a bigger variety of activities to choose from.

In September the Sophomore class invited the Freshman class to its Freshman-Sophomore party which is held every year. On "slave day" in October the Freshmen had to carry books for the upperclassmen and shine their shoes. At the end of "slave day" the final initation took place in assembly. In January the Freshmen had charge of the ice cream and candy concession for two weeks. The Freshmen haven't had much time for activities because they've been so busy studying.

"El Chapitel" Staff

Yvonne Campbell, Assistant Editor; Allan Coleman, Editor; Courtney Coleman, Business Manager; Mrs. Matthews, Advisor.

The staff of the 1947 "El Chapitel" got off to an early start this year in beginning the book. With the money earned from the Shipwreck Dance in January and from the selling of programs at a basketball game, the staff was able to reduce the price of the yearbook.

BACK ROW: J. Bettencourt, Senior Representative; F. McMahon, Secretary; B. Freitas, Vice-Frcsident.

Under the leadership of President Loren Corotto and his fellow officers the Associated Boy Students were very active this year. Many of the boys exhibited their skill in boxing and wrestling matches held at many of the meetings. During a fall meeting an exciting pie-eating contest was held. The boys have had several speakers this year, among whom Police Lieutenant McPhail was outstanding. Officer McPhail gave an interesting talk about his experiences in the F.B.I.

The Girls' League has had a variety of activities this year. Among them was the taking over of concessions at the Hollister-Monterey football game.

The biggest event of the Girls' League calendar was the Christmas Dance, given each year just before the Christmas vacation begins. This year the decorations followed the "Olde Lamplighter" theme, with lighted lanterns ornamenting the creme walls and a huge pine tree in the center of the Air Base Auditorium. Herb Miller furnished the music for the evening.

Spring rolled around, and "Daisy Mae" and "Li'l Abner" had nothing on the Girls' League when they also had their annual Backward Dance. The girl invited the boy, asked him for dances, bought his cokes, and escorted him home afterwards in her car.

During the January G.L. meeting, Girls' League pins were presented to the deserving girls by Mrs. George Garat.

The Vocational Conference, attended by a group of Hollister High School girls on March 7 and 8, was held at Asilomar. A profitable and enjoyable weekend was had by some twenty girls.

Every committee functioned most successfully under very able chairmen to make this year one of the most active and enjoyable for all the girls of the Girls' League.

MR. HARMON

The dramatic productions of this year have been varied and successful. The first play was the Senior Play, a comedy entitled "The Eager Beavers." The Juniors chose as their play "The Trail of the Lonesome Pine," a production from Broadway.

The drama class produced several one-act plays this year. "Dress Reversal" employed an all male cast, while "Nine Girls" was presented by an all girl cast. Members of the class put on two short plays, "Minerva Sets the Stage" and "Gown for a Bride." A cast of only four presented the Christmas play.

MR. DAHNEKE

MR. HUBBELL

This year the orchestra, conducted by Mr. Hubbell, played at the Elks Memorial services, the senior play, and for the operetta "H.M.S. Pinafore." Mr. Hubbell also organized the Teenager dance band which played for several high school dances and assemblies.

The band, directed by Mr. Dahneke, made a tour of the local schools, presenting musical selections. The choir presented a memorable Christmas program to the high school students.

This year has been one of the busiest of all time, for the F.F.A. Members attended the State F.F.A. Convention at San Luis Obispo, and the National Convention in Kansas City. The boys put on a fall Harvest Dance and the annual Barn Dance preceded by the Whiskerino contest.

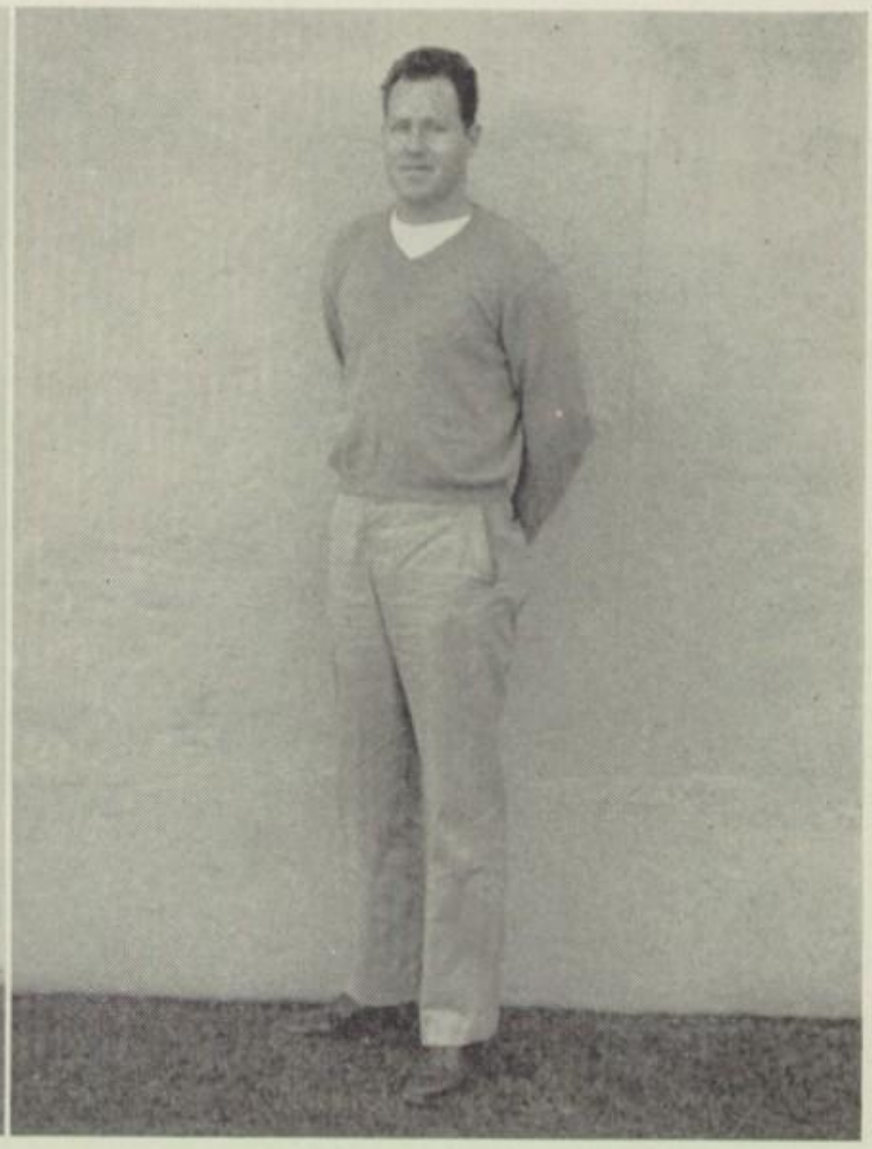
COACH HARDIN

Andrew S. Hardin, known to everyone as "Coach Andy," has ably filled the capacity of Dean of Boys and all-around CCAL coach. Through his efforts and leadership, he has inspired the boys of our high school to accomplish outstanding feats in all sports. There is only one classification for Coach and that is that he is a swell coach and a fine gentleman.



COACH EDWARDS

Coach Don Edwards has come forth with a powerful 'Baler basketball quintet again this year. The baseball nine has also been successful under his guidance. It is no wonder that the 'Balers and Hayseeds have been victorious in their campaigns, since their coach really knows his job.

Varsity

Coach Hardin's Varsity football team strove to come forth with another successful team this year with much opposition. Their spirit was never broken, even though, at times, the going was rough. These boys, who had the whole school behind them at all of the games, should be remembered for their stick-to-it-iveness that really puts over a good game whether it is lost or won.

Lightweights

The Hayseeds have raised the school morale greatly with their dogged enthusiasm. This enthusiasm led to their partial and even complete victory in many instances. Through the experience received in this year's games, it is certain that next year they will come very close to winning the championship, since they have had an excellent training program under Coach Hardin's guidance.

Coach Edwards' persistent Haybaler quintet have made a good showing this year. As the Hayseeds best game was with Santa Cruz, the best heavyweight game was also with Santa Cruz, when Hollister won with a score of 45 to 40. This thrilling fight proved the 'Balers had the ability and spirit that makes up a worthwhile game. The score of every game played by the 'Balers was close—another proof that they had the spunk that it takes to be good winners or good losers.

This year's Hayseed basketball team has won half of the games played. They put up a stiff fight all the way through the season, whether they won or not. It will be agreed by everyone that probably the best showing of good form was in the C.C.A.L. game with Santa Cruz, when Hollister won with a score of 18 to 16. All of our men played good ball before the season was over.

It can never be said that the Haybalers do not have a good track team, because they have been able to maintain a winning team this year and for the past years. Last year's team under the co-captainship of Frizzi and Hardin tied Santa Maria for first place in the 20-30 Invitational meet. This year every member of the team is to be congratulated for a swell showing.

Not to be outdone when the awards are being handed out are the mighty Hayseeds. Our Hayseed team has shown up well this year and has given evidence of a great heavyweight team in a year or two. They have the speed and the strength that is essential if a team is to make any headway.

Toward the end of every year when graduation is at hand and the hustle and bustle of exams is almost too great for endurance, the baseball team is taking its objectives and little is known of its accomplishments. During this time, graduation is the foremost activity, but another is important too, to many people. We hope that at the end of this year, the students will stop to think that a baseball team was practicing valiantly for their school and them, and that whether they lost or won, a game played by our men under the skillful guidance of Coach Edwards was worthwhile.

The Block H is an organization made up of all the boys who have earned their blocks in some sport. This year's organization was led by Howard Pearce, who later resigned to take over the office of Student Body President, and Herbert McAbee, who replaced him. Mr. Stoker acted as advisor to the Block H.

Manager of all the sports, Stephen Horn, deserves special notice. Appointed by the council, he tabulates scores, manages the teams, cares for the emergency medical kit, and performs the thousand necessary duties of a sports manager.

MISS MESSING

Dean of Girls and Girls' League advisor, Miss Regina Messing is known to everyone in our high school. She has taught four girls' physical education classes this year and has also filled the capacity of counselor and advisor for the Student Council and the Rally Committee. Her guidance and leadership have done much to encourage the high morale and good behavior of the students.

MISS ELLIOTT

In her first year at San Benito County High School, Miss Gladys Elliott has taught seven girls' physical education classes. She has also been the Girls' Athletic Association advisor. Before coming to Hollister, Miss Elliott graduated from Oregon State College where she majored in human biology.

A very active year for the G.A.A. began with the election of officers on October 17. In November a Volleyball Spread was given, followed by one skating party in December and another in January. On January 27 the girls gave a spaghetti feed for the boys' basketball team. After much delay a snow trip was taken to Yosemite in March. In the spring the G.A.A. sponsored the successful semi-formal Easter dance. In the next month the G.A.A. put on a basketball and hockey spread for the girls who played on the teams.

In contrast to the wartime years the San Benito County Junior College has grown this year to more than one hundred students. Most of the students have been very active in school affairs, making the school year of 1946 and 1947 a very active one for the Junior College.

Welcomed back to the Junior College this year are the many war veterans. Taking part in all the sports and participating in school activities, they have become a real part of the school.

COACH HANNA

Football season opened badly for the Rambler gridders this year. Although they were small, their size was compensated by their unexcelled fighting spirit. At the close of a discouraging season, the Ramblers rolled up three quick victories, beating San Francisco State Reserves 13 to 6, Modesto J.C. Reserves 21 to 6, and the Hollister Legion 14 to 1.

Reinforced by the return of several veterans, the Junior College basketball team won many of the games it played this year. A new addition to J.C. basketball was the Junior Varsity, the "Jayvees," which played several local and out-of-town games.

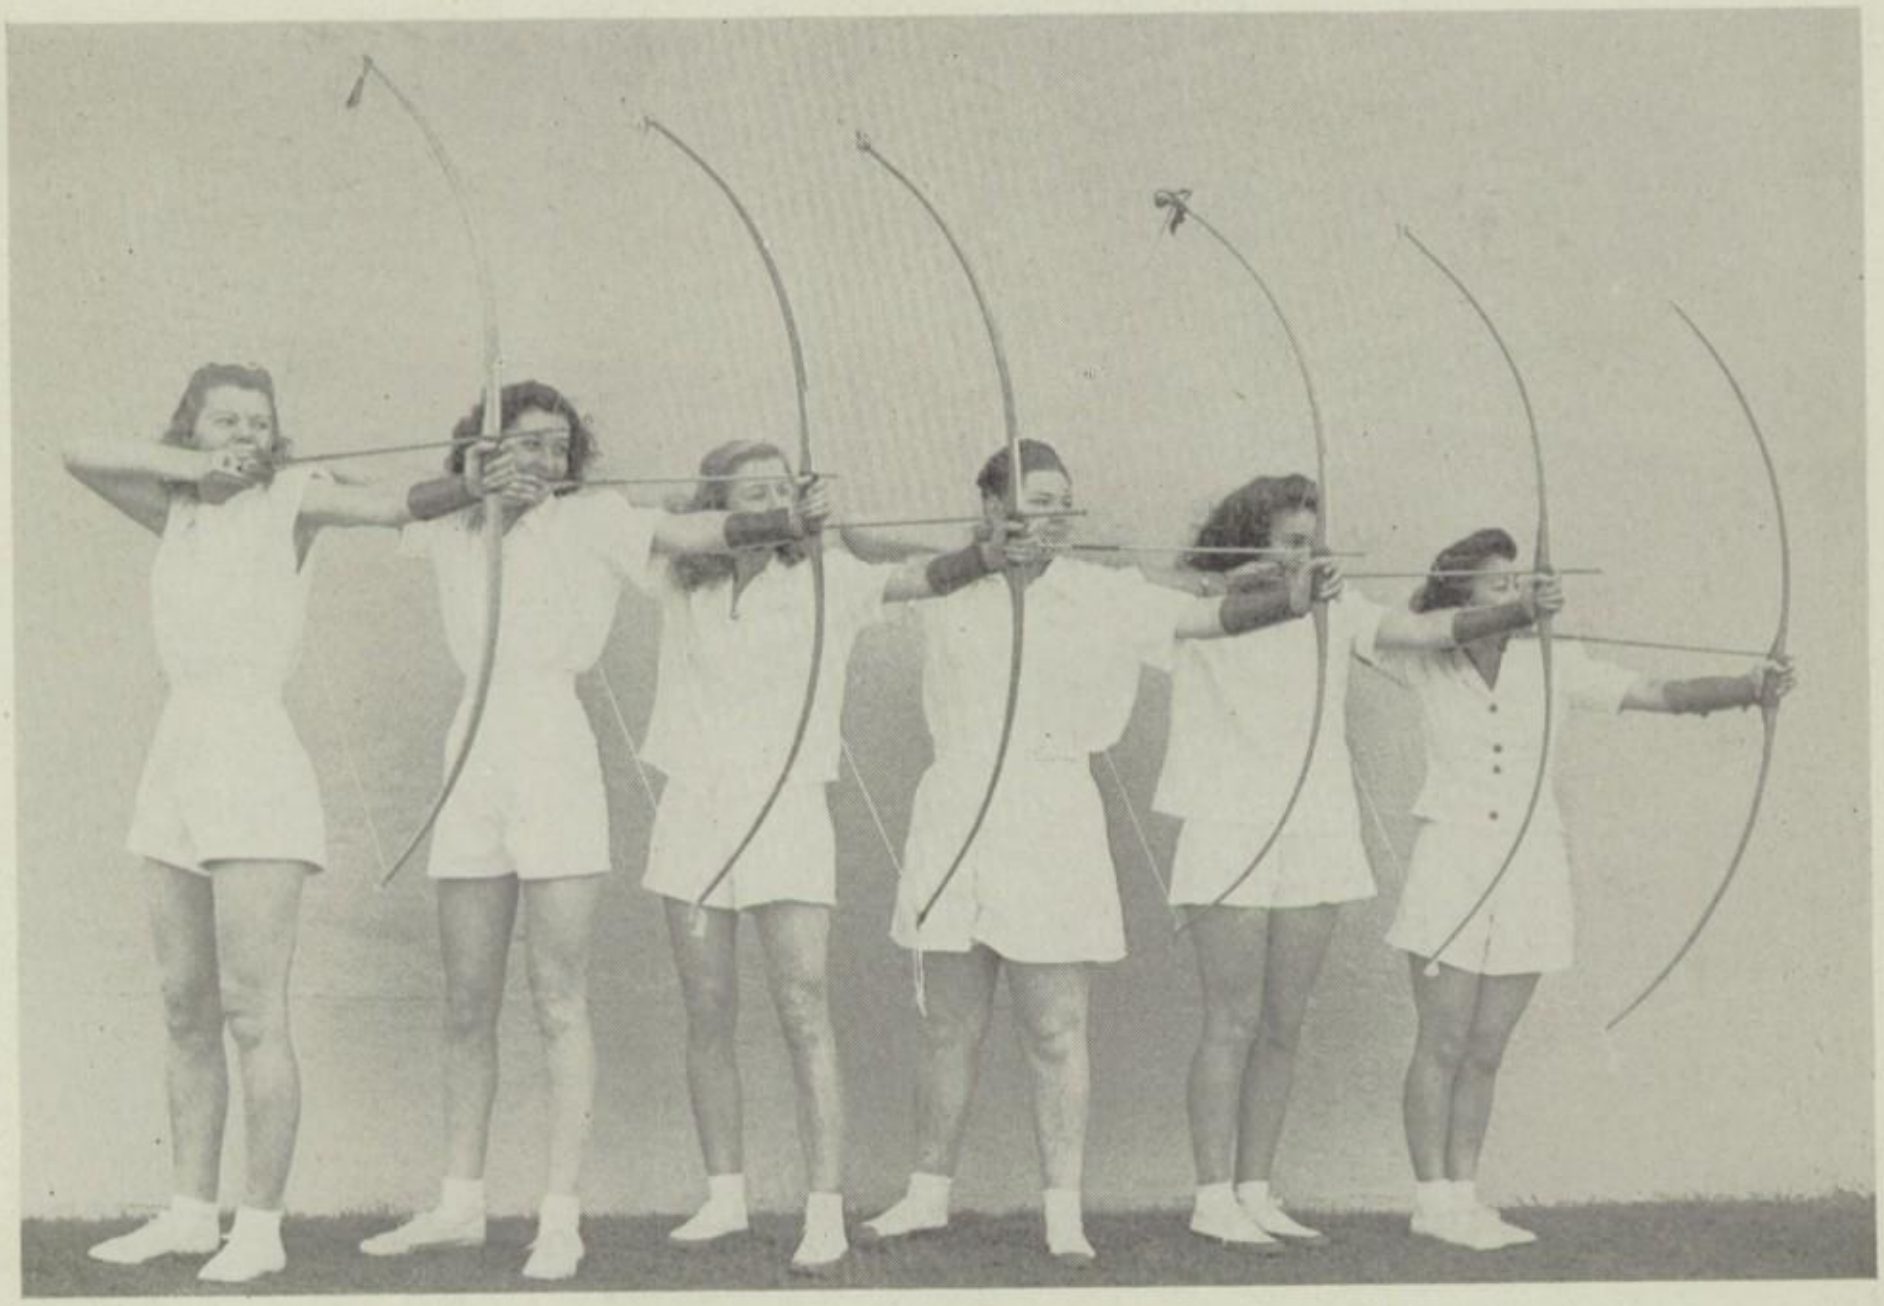
FRONT ROW: Coach Hanna, J. Bidegary, L. Bourdet, P. McClure. BACK ROW: G. Obata, D. Edmundson, B. Infelise, J. Grey. NOT PICTURED: Allan Renz and Bill Renz.

The Junior College Rambler nine, under the coaching of John Hanna, has had a most successful season this year. In one of their best games, the Ramblers rolled up the impressive score of twenty-nine to their Fort Ord opponent's three.

Archery



B. Winter, E. Cunningham, V. Gunnels, M. Pritten, N. Ballard, D. Obata.

This year the Junior College girls wanted to have intramural contests with the High School girls. They had a volleyball game which was very successful. They were unable to have any more games because the calendar was filled up.

Among the sports played this year were: archery, golf, badminton and tennis. In February the girls got together with Miss Messing and chartered a bus to Salinas for a bowling party. After a few hours of bowling they had dinner and then went skating.

A new girls' athletic organization is being planned for the future which will offer more trips and also more competition between the girls of the Junior College and the High School.
